COUNTRY

The Glendale High School Cross Country team was undefeated with a 8-0 season record. Of the fourteen members of the cross country team, seven went to state. Thomas Flores placed first in the AA State Championship meet with a finishing time of 16:25. The old record was 17:35 and was held by Oscar Madrid, a former Glendale High School student. Flores was named Athlete of the Week by the *Glendale Star*. Cardinal coach, Fred Espinoza, thinks the team has proved itself this year. He expects to have an equally strong team next year.

Mr. Stein - Awarded "Achievement Above All" Teacher

Glendale High School is very honored to have Mr. Gerry Stein awarded as the "Achievement Above All" teacher for his 15-year dedication to GUHSD.

Mr. Stein is a social studies/math teacher, and a sophomore class sponsor since he began his career. Mr. Stein and his sophomore class created the tradition for students and faculty to wear red and yellow on every Friday, as a day for special spirit. To make sure the spirit is continued, the sophomore class sells tee shirts and jackets.

Mr. Stein is considered a leader among his fellow teachers, and is recognized as someone who really cares about his students. He spends a great deal of his summer vacation and time preparing worksheets and other methods to assure his students will pass his course.

In 1982, Mr. Stein's required world history/world geography course had the highest IMS scores in the district. Mr. Stein spent hours preparing the outstanding course which he shared with other teachers.

In the spring of 1983, Mr. Stein was asked to teach four classes of General Math with a similar program to that of his social studies class. Again, the result was Glendale having the highest IMS scores in General Math.

Mr. Stein thought the award to be a "nice surprise" and would like to accept it on behalf of all the teachers at Glendale. He was honored someone from Glendale was awarded.

Richard Alyward

Richard Alyward was selected by Glendale High School to compete for the Gemco Foundation Scholarship. This was a verbal competition and the topics were selected by the judges. The three scholarships available were $500.00, $1,000.00 and $1,500.00. Richard was chosen as one of the 12 finalists from a group of 33 competing students. Each finalist will receive a $50.00 award. Notification of the scholarship winners will be announced in early March. Congratulations, Richard!

Glendale Competes in the U.S. Academic Decathalon

The U.S. Academic Decathalon is a competition between schools on a county, state and national level. It consists of speeches, written tests, and essays in ten areas: Social Science; Language/Literature; Math; Economics; Fine Arts; Science; Essay Writing; Speech; Interview; and a Superquiz. Six students are on a team; two from the "A" category, two from the "B" category, and two from the "C" category.

This competition started in California in the 1960s. Last year it was won by J.J. Pierce High School in Richardson, Tx. This is the first year Arizona has ever participated. The schools we competed against are Trevor Browne, Arcadia, and Chaparral.

This event was held Saturday, Feb. 2 at Chaparral High School. It began at 7:30 a.m. and ended with an awards dinner at 6:30 p.m.

The students from Glendale who participated are: from the "A" (honor) group are Traci Quick, Roberta LeBario, and Kathy Mahnke. From the "B" (varsity) group are Pat Hernandez and Dan Davis. From the "C" (scholastic) group are Laura Reese and Cory.

A big thank you to Coaches Ms. Santos-Pippin and Ms. Winters.
